

Quality Bass Club

San Antonio, TX

Dear Dedicated Supporter:

August 23, 2015

On behalf of Quality Bass Club, thank you for your support of the Quality Bass Club Fish Fry, Raffle and Auction – our sole fund raiser for the fiscal/calendar year.

In order to support our community, future fishermen and our club, we held our annual fish fry, raffle and auction on August 22, 2015.

Your support helped us raised almost \$1800.00 to go toward our causes.

Our club's mission is furthering the sport of fishing through local events, community service, environmental education and youth fishing. We are also home to Fishing for Freedom events where we take recovering wounded warriors out for a fun day of bass fishing. Additionally, we hold appreciation events to honor the volunteers who support our wounded warriors and their families at local Fisher House facilities. Your support is deeply appreciated.

Please feel free to visit us at <http://www.qualitybass.org> to view photos from past events and activities or contact us through our web page.

On behalf of the entire Quality Bass Club, again we thank you.

Respectfully,

Stefen Brooks
President
